III. SAMCERA PLAN INFORMATION

A. About SamCERA

SamCERA is a retirement system established under of the County Employees Retirement Law of 1937. SamCERA provides retirement, disability and death benefits to the employees and retirees of the County of San Mateo (County), the San Mateo County Superior Court (Court) and the San Mateo County Mosquito and Vector Control District (District). SamCERA only administers pension benefits; it does not administer any retiree health or other post-employment benefits (OPEB) programs.

As of June 30, 2023, there were a total of 13,690 members in the system, comprised of 5,334 active members, 2,424 inactive (1,551 vested) and 5,932 retirees and beneficiaries receiving benefits. For the active membership, 94.32% are County employees, 5.27% are Court employees and 0.41% are District employees. Before January 2000, Court employees were County employees, consequently, a breakdown by employer for deferred and retired members would not be accurate.
The Board of Retirement is responsible for the management of SamCERA. The Board establishes policies and objectives for SamCERA including the Investment Policy and the Interest Crediting Policy, both of which are available on our website under the Board of Retirement tab under “Governance,” “Governance Policies.” The Board approves the assumptions to be used by the actuary and the recommended employer and employee contribution rates to be adopted by the Board of Supervisors. The Board meets once a month at 10:00 a.m. on the fourth Tuesday of the month.

SamCERA’s staff is responsible for the daily operations involving administration, benefits, accounting, investment and information technology. Certain staff members of SamCERA’s administration, finance and benefit divisions will interact with the actuary. Consultants who will interact with the actuary include, SamCERA’s investment consultant and auditor.

According to the latest actuarial valuation as of June 30, 2023, the pension plan was 88.3% funded. The plan is funded by employer contributions, member contributions and investment returns.

1. Employer Contributions and Supplemental Accounts

The employers’ Statutory Contribution Rate (SCR) is equal to the payment of the Employer Normal Cost rate plus a 15-year layered amortization of the Unfunded Actuarial Accrued Liability (UAAL) for each year beginning with the UAAL as of June 30, 2008 (excluding the supplemental contributions discussed below.) The UAAL rate for the County is reduced to reflect its supplemental account, as is the District’s. The SCR (blended average for all employers) is 26.64% for the fiscal year beginning July 1, 2023; the County’s SCR is 26.62%, the Court’s is 26.35% and the District’s is 28.03%.
Under separate Memorandum of Understanding (MOUs), both the County and District agreed to make supplemental contributions to pay down their unfunded liabilities. Copies of the MOUs are available upon request. Commencing in FY 2013-14, the County paid supplemental contributions in a lump sum of $50 million and then an additional $10 million each of the following fiscal years. The MOU expired on 06/30/23. The County may continue paying supplemental contributions until fiscal year 2023-24. Furthermore, the County intends to maintain an average employer payroll contribution rate higher than its SCR to serve as a second supplemental payment and for the fiscal year 2024-25. The District contributed $1.5 million in fiscal year 2015-16 and an additional $250,000 the following fiscal year in supplemental contributions.

These funds are placed in a “County Supplemental Contributions Account” (CSCA) and “District Supplemental Contributions Account” (DSCA). These funds are credited just to the County and District as applicable, rather than all three SamCERA employers. As of June 30, 2023, the County’s supplemental contributions account balance total $213 million, while the District’s balance is $72 thousand. Separate rates are determined for the County and the District based on their respective supplemental accounts. Furthermore, each employer’s SCR reflected offsets due to their respective SCAs, and each employer effectively used up an amount of their SCA equivalent to the offset.

2. Employee Contributions

There are several separate employee contributions collected and each can vary by employer, member classification, plan and bargaining unit.

a. Basic Contributions

- Plans 1, 2, 4, 5 and 6: Contributions are required of all members, based on entry age and class of each member. Currently, only safety members are eligible for the 30-year cessation of basic contributions. This provision does not apply to any of the cost-share contributions discussed below. Safety members regardless of years of service must pay the cost share.

- Plan 7: Members contribute 50% of the aggregate Normal Cost rate for their Plan.

- Plan 3: No member contributions are required.

b. Cost-of-Living Adjustment (COLA) Share of Cost:

- Plans 1, 2, 4, 5 and 6: All members in these plans contribute 50% of the cost of COLA benefits, except the District.

- Plan 7: Members contribute 50% of the aggregate Normal Cost rate for their Plan which includes the cost of the COLA.
c. Cost Sharing Based on Plan Type:

- **General Members:** All members of Plans 1, 2 and 4 (except the District) contribute an additional 3.0% for cost sharing. All other General members do not participate in cost sharing.

- **Safety Members:** Deputy Sheriffs in Plans 1, 2, 4 and 5 contribute the following additional cost sharing rates based on age and service:
  - If age 45 or older: 4.5%
  - If age is less than 45 years, and
    - Service is less than 5 years: 3.0%
    - Service is between 5 and 15 years: 3.5%
    - Service is more than 15 years: 4.5%

- **Safety Members (except Deputy Sheriffs):** Members in Plans 1, 2 and 4 contribute an additional 5.0% cost sharing. Safety members (except Deputy Sheriffs) in Plan 5 contribute an additional 4.0% cost sharing. Safety members in Plan 6 and 7 do not participate in cost sharing.

- **Probation Members:** Members of Plans 1, 2, 4 and 5 contribute an additional 3.5% for cost sharing. Members of Plans 6 and 7 do not participate in cost sharing.

d. **Employer Pick-ups:**

Effective with the first pay period in July 2018, no employer provides for an employer pick-up of employee contributions.

3. **Investments**

a. **Investment Portfolio:**

SamCERA’s investment portfolio includes approximately 90 investment accounts. As of July 1, 2023, SamCERA’s Asset Allocation is as follows:

- **Growth:** 59.0%
- **Diversifying:** 18.5%
- **Inflation Hedge:** 17.0%
- **Liquidity:** 5.5%

b. **Investment Policy:**

SamCERA’s Investment Policy is aimed at reducing risk through a prudent diversification of the investment portfolio across a broad selection of distinct classes. The Board undertakes an in-depth asset liability study every three to five years. The Board conducted an asset liability study in fiscal year 2023 and subsequently approved a new target asset allocation. The new policy increased
Growth assets by 2%, with a corresponding 1% decrease to both Diversifying and Inflation Hedge assets. SamCERA will continue to thoughtfully balance the return potential of equity investments versus the potential risks they bring to the portfolio to produce the most efficient risk-adjusted return stream for the portfolio as possible. The Investment Policy can be found on our website under “Investments and Financials.”

4. Financial Statements

SamCERA’s financial statements are prepared in accordance with the generally accepted accounting principles in the United States of America.

SamCERA implemented GASB 67 in fiscal year 2013; its plan sponsors implemented GASB 68 in fiscal year 2014. SamCERA is responsible for providing GASB 67/68 information to its plan sponsors for financial reporting purposes.

5. Actuarial Assumptions

The Board adopted new economic and demographic assumptions for the valuation as of June 30, 2023. At its May 2023 meeting, the Board increased the inflation, wage, payroll and COLA rate assumptions while keeping the investment return the same. Changes to the demographic assumptions and actuarial methodology utilized were approved by the Board at its July 2023 meeting.

The current economic assumptions are:

- Investment return 6.25%
- Inflation 2.75%
- General wage and payroll growth 3.25%
- COLA assumptions
  - Plan 1 2.75%
  - Plan 2 2.65%
  - Plan 3 N/A
  - Other Plans 1.9%
IV. CURRENT ACTUARIAL PROCESS AND DATA COLLECTION

A. Member Data

SamCERA uses customized Vitech V3 software for all its pension administration needs. The County and the Court use Workday software for employee data, which is uploaded into V3. Additionally, the Court uses ADP as its payroll system, while the County uses Workday. The District’s data is manually entered into V3. Every year in early July, SamCERA extracts confidential data requested by its actuary from V3 for the annual valuation.

Active File (demographic and financial information)

- Members in current employment
- Nonmember former spouses with accounts
- Terminated Members - All members separated from employment with funds still on deposit (vested and nonvested)

Retiree File (demographic and financial information)

- Retirees
- Survivors receiving continuances
- Nonmembers spouses receiving benefits

B. Financial Data

SamCERA uses Great Plains accounting software to maintain its financial data and generate financial statements.

Northern Trust, SamCERA’s master custodian, maintains records of investment and banking transactions. SamCERA’s external investment managers provide investment transaction and balance detail directly to Northern Trust which, in turn, provides that information to SamCERA. Northern Trust provides a web portal application for SamCERA to, among other actions, access daily account and investment information (including pricing) and generate necessary custom reports.
C. Actuarial Data

**Annual Actuarial Valuation.** In general, the annual actuarial valuation is presented to the Board in September. Our Annual Comprehensive Financial Report (ACFR) is approved by the Board in October as the Board does not meet in November.

Based on this schedule, the recommended actuarial assumptions to be utilized in the valuation report are brought to the Board for adoption well in advance so that the actuary can produce the valuation report timely. Every third year, the draft annual valuation is audited by the auditing actuary. The draft actuarial report is received mid-September, with a final report received the third week of September to be included in the Board packet distribution.

**GASB 67/68 Disclosure Report.** Our participating employers are provided with the audited GASB 67/68 report upon request. A draft of the GASB 67/68 report should be received by SamCERA for review and comments by the first week of October.

**Triennial Experience Study.** The auditing actuary performs the actuarial audit every three years in conjunction with the Triennial Experience Study. For the Triennial Experience Study, staff will provide the data in May. The draft report is reviewed by the auditing actuary. Therefore, the draft should be completed with enough time to permit a review and subsequent responses, prior to the release of the final Triennial Experience Study. Presentation of the study shall be in person to the Board at its July meeting.

Presentation of the study shall be in person to the Board at its July meeting. The actuary may be requested to attend additional Board meetings as needed.

2. **Related Services.** The Triennial Experience Study should, at a minimum, include:

   - An analysis of actual experience for the preceding three years to determine the appropriateness of the assumptions used in the annual valuations. **C. Inability to Negotiate a Contract**

If a contract cannot be negotiated, SamCERA may, in its sole discretion, begin contract negotiations with one or more or none of the remaining Proposers.

   A. Contractor shall perform the services in a professional manner, and with the competence, care, skill, prudence and diligence prevailing in the [DESCRIPTION] industry and that a prudent person in a like capacity to that of Contractor and familiar with [DESCRIPTION] services would use in the conduct of those services. [In performing services under this Agreement, Contractor shall adhere to the professional and ethical standards required of [POSITION] under the [DESCRIPTION OF PROFESSIONAL CODE OF CONDUCT, IF ONE EXISTS] and shall assign staff that, in Contractor’s judgment, has sufficient education, training or experience to perform the tasks assigned to them.

   B. The services and deliverables provided to SamCERA in connection with the performance of the services shall not infringe on any intellectual property right of any third party.

   C. Contractor shall comply always with all federal, state and local laws applicable to it, and shall obtain from the appropriate authorities all registrations, permits, licenses, and indemnities required for the conduct of Contractor’s business and the provision of Services and deliverables pursuant to this Agreement.

   D. In the performance of services pursuant to this Agreement, Contractor shall maintain independence from all interests other than the interests of SamCERA and its members and beneficiaries, as those interests are expressed by the Board. Contractor understands
SamCERA staff acts as the agent for the Board in its relationship with Contractor, but it is subordinate to the Board and cannot direct Contractor to consider interests contrary to those expressed by the Board.

7. **Contract Materials**

At the end of this Agreement, or in the event of termination, all finished or unfinished documents, data, reports, and other written materials (collectively referred to as “Contract Materials”) prepared by Contractor under this Agreement shall become the property of SamCERA and shall be promptly delivered to SamCERA. 9. **Hold Harmless/Indemnity**

   A. **Definitions.** As used in this Paragraph 9:

   (i) “Claims” means any claim described in (a) or (b) below, whether based on contract, tort, or any other legal or equitable theory:

   (a) any and all third-party liabilities, losses, injuries, suits, costs, charges, judgments, fines, penalties, expenses (including, without limitation, defense costs, expert witness fees, and reasonable attorneys’ fees), causes of action, claims, demands, recoveries, settlements, or damages of any nature arising out of, related to, or in connection with Contractor’s fraud, willful misconduct, grossly negligent performance of services hereunder, or Contractor’s grossly negligent acts or omissions; and

   (b) any and all liabilities, losses, injuries, suits, costs, charges, judgments, fines, penalties, expenses (including, without limitation, defense costs, expert witness fees and reasonable attorneys’ fees), causes of action, claims, demands, recoveries, settlements, or damages for bodily injury, death, personal injury, or property damage, arising out of, related to, or in connection with Contractor’s performance of, or failure to perform, services hereunder.

   (iii) “Contractor Personnel” means Contractor, its officers, directors, shareholders, employees, servants, agents, and subcontractors.
B. **Obligation to Defend and Indemnify.** Contractor will defend, at its expense, SamCERA Covered Persons from and against any and all Claims. Contractor will indemnify, save, and hold harmless SamCERA Covered Persons from and against any and all Claims, but only to the extent of the percentage of fault attributable to Contractor Personnel.

C. **Survival of Obligation to Defend and Indemnify.** Contractor’s obligations to defend and indemnify shall survive the termination of this Agreement.

D. **Notice of Claim.** SamCERA will give Contractor prompt written notice of any Claim for which any SamCERA Covered Person is entitled to indemnification pursuant to this Paragraph 9. Contractor shall control the defense or settlement of the Claim; but no such settlement or compromise shall be entered into unless, as part of such settlement or compromise, the third party executes a full and complete release of SamCERA Covered Persons without recourse to SamCERA Covered Persons for any amount, claim, or other obligation whatsoever respecting such Claim. Contractor will not have the right to settle or compromise any such Claim without the consent of SamCERA Covered Persons, which consent can be withheld for any reason or no reason if such settlement or compromise involves the issuance of injunctive or other nonmonetary relief binding upon any of SamCERA Covered Persons or a plea of guilty or nolo contendere on the part of any of SamCERA Covered Persons in any criminal or quasi-criminal proceeding, or which involves any admission of liability or culpability on the part of SamCERA Covered Persons, or which has any collateral estoppel effect on any of SamCERA Covered Persons.

10. **Assignability and Subcontracting**

Contractor shall not assign this Agreement or any portion of it to a third party or subcontract with a third party to provide services required by Contractor under this Agreement without the prior written consent of SamCERA or as expressly allowed in Exhibit A. Any such assignment or subcontract without SamCERA’s prior written consent shall give SamCERA the right to automatically and immediately terminate this Agreement without penalty or advance notice.

A. **Workers’ Compensation Insurance.** Contractor shall submit written proof that Contractor is insured against liability for workers’ compensation in accordance with the provisions of section 3700 of the California Labor Code or such other law applicable to Contractor’s employees providing Services pursuant to this Agreement.

B. **Commercial General Liability Insurance,** including, but not limited to, Contractual Liability Insurance, Personal Injury (including bodily injury and death), Property Damage for liability arising out of Contractor’s performance of work under this Agreement, and the loss or breach of confidential client data and information. Such insurance coverage shall have minimum limits for bodily injury and property damage liability of Two Million Dollars ($2,000,000) each occurrence and Five Million Dollars ($5,000,000) in aggregate (including excess policies).

SamCERA, at its sole option, may terminate this Agreement and obtain damages from Contractor resulting from such breach.

Insurance coverage in the minimum amounts set forth herein shall not be construed to relieve Contractor for any liability, whether within, outside, or in excess of such coverage, and regardless of the solvency or insolvency of the insurer that issues the coverage; nor shall it preclude SamCERA from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law. Contractor’s Commercial General Liability and Automobile Liability insurance pursuant to this Agreement shall be primary to and not contributing to any other insurance maintained by SamCERA or the County of San Mateo with respect to liabilities caused by Contractor.
